

Captain's Log

October 2017

Dear Parents/Guardians:

The school year is under way and everyone is finding their stride or trail. As we begin the second six-weeks I encourage you to stay in contact with your child's/children's teachers and get school portal access for their grades. You are our greatest partner in making the educational experience here at Eula a positive and successful one. Below are a couple of items to keep in mind as we move forward.

As we approach basketball season and afterschool practice please make sure elementary students, even if they have an older sibling, are not staying after school unattended. Elementary students need to go home afterschool even on basketball game days. Students will not be allowed to stay after school until games start or attend games without adult supervision. The school is not responsible for students' safety after school hours for events that are not school related. If students are found after school or at games unattended, parents will be contacted for pickup.

October is Bullying Prevention and Kindness month. Please continue to keep us informed of concerns about our school culture and visit our website to find the tools to report incidents or suspected bullying. By working together we can create a safe and caring atmosphere for all our kids.

Lastly, check the events calendar for dates and especially note the early release on Oct. 10th, Parent Conference day on Oct. 16th, fall festival on Oct. 21st, and Red Ribbon activities Oct. 23rd through 27th.

Thank you for your attention to getting here at our new start time, you have done a great job! Plus, thank you for letting your child/children gain their independence by walking in on their own. The children have shown great growth through this process, which is fun to see. We appreciate the great participation and involvement in Open House too! Your caring, participation, and help is what makes this such a great community and school!

We are blessed here at Eula to have such a wonderful school and community. Thank you for partnering with us to make this a great year and an Educational Adventure that is exciting for all!

Your principal,

Cody Bob Williams
