STUDENT CODE OF CONDUCT

Purpose

The Student Code of Conduct is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), or expulsion from school.

This Student Code of Conduct has been adopted by Eula ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be posted on the district’s Web site. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP, or expelled.

Because the Student Code of Conduct is adopted by the district’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code shall prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
6. When criminal mischief is committed on or off school property or at a school-related event;
7. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
8. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
9. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
10. When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

District administrators conduct routine blanket inspections and searches of lockers and desks.

Reporting Crimes

School administrators shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Revoking Transfers

The district has the right to revoke the transfer of a nonresident student for violating the district's Code.

Participating in Graduation Activities

The district has the right to limit a student's participation in graduation activities for violating the district's Code.

Participation might include a speaking role, as established by district policy and procedures.

School District Authority and Jurisdiction

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation with the district's Code resulting in any out-of school suspension, removal to DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she is engaged in any out-of school suspension, removal to DAEP, or expulsion during the semester immediately preceding graduation.

See DAEP—Restrictions during Placement for information regarding a student assigned to DAEP at the time of graduation.

Standards for Student Conduct

Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.

The categories of conduct below are prohibited at school and all school-related activities, but the list does not include the most serious offenses. In the subsequent sections on Out-of-School Suspension, DAEP Placement, Placement and/or Expulsion for Certain Serious Offenses, and Expulsion, severe offenses that require or permit specific consequences are listed. Any offense, however, may be serious enough to result in Removal from the Regular Educational Setting as detailed in that section.

- Possess or sell look-alike drugs or attempt to pass items off as drugs or contraband. Abuse the student’s own prescription drug, give a prescription drug to another student, or possess or be under the influence of another person’s prescription drug on school property or at a school-related event. (See glossary for “abuse.”)

Misuse of Technology Resources and the Internet

Students shall not:

Safety Transgressions

Students shall not:

- Engage in verbal (oral or written) exchanges that threaten the safety of another student, a school employee, or school property.
- Make false accusations or perpetrate hoaxes regarding school safety.

- Throw objects that can cause bodily injury or property damage.
- Discharge a fire extinguisher without valid cause.

Miscellaneous Offenses

Students shall not:

- Violate dress and grooming standards as communicated in the student handbook.
- Cheat or copy the work of another.
- Gamble.
- Falsify records, passes, or other school-related documents.
- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.
- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

Discipline Management Techniques

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques. Discipline shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, unless otherwise specified by law, may bring into consideration varying techniques and responses.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal may restrict or revoke a student's transportation privileges, in accordance with law.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law shall prevail.

In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of bullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or "time-out."
- Seating changes within the classroom.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, counselors, or administrative personnel.
- Parent-teacher conferences.

Discipline Management Techniques

- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use.
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

Notification

The campus principal shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, or expulsion. The campus principal shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus principal shall send written notification by U.S. Mail.

Before the principal or appropriate administrator assigns a student under 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher or campus administration, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy

FNG(LOCAL). A copy of the policy may be obtained from the principal's office or the central administration office or through Policy On Line at the following address: www.eulaisd.us

Consequences shall not be deferred pending the outcome of a grievance.

Removal from the School Bus

A bus driver may refer a student to the principal's office to maintain effective discipline on the bus. The principal must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal may restrict or revoke a student's transportation privileges, in accordance with law.

Detention

For minor infractions of the Student Code of Conduct, administrators may detain students before or after school hours on one or more days. Students may also be detained during the lunch hour and before classes begin. Detentions will typically be assigned for minute increments; i.e., 30 minute lunch detention.

What offenses warrant detention? Teachers are responsible for administering appropriate intervention techniques when students misbehave. Detention will be assigned but not limited to the following offenses:

- (1) Three tardies to individual classes in a semester
- (2) Disturbing class/school environment
- (3) Being unprepared for class
- (4) Cheating or copying the work of another student
- (5) Refusing to participate/work in class
- (6) Inappropriately engaging in acts of familiarity with other students (PDA -public display of affection) first offense.
- (7) Possessing electronic equipment such as I-Pods, MP3 players or electronic games.
- (8) Failing to abide by campus rules and procedures by following directions
- (9) Misconduct including, but not limited to, the following: gum, food, candy; not being on task; bothering other students; loud talking; cutting in line; throwing paper; note writing; sleeping; running; making excessive noise
- (11) Exhibiting unacceptable physical contact not resulting in bodily injury (i.e., pushing)
- (12) Chewing gum

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the principal's office as a discipline management technique. The principal shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator **may** remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal

A teacher or administrator **may** also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus principal or appropriate administrator shall schedule a conference with the student's parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the campus principal or appropriate administrator shall inform the student of the misconduct for which he or she is charged and the consequences. The student shall have an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus principal or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator **must** remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning Student to Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

Removal from the Regular Educational Setting

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent, if the placement review committee determines that the teacher's class is the best or only alternative available.

In-School Suspension

For more serious infractions of the Student Code of Conduct, administrators shall assign a student to one or more days of in-school suspension where, under the supervision of a teacher or an aide, students will complete assignments given them by their regular teachers. Depending upon the severity of the infraction, students are assigned to "ISS". Students in ISS may not participate in any extracurricular activities, including practices until final day of ISS.

What specific infractions warrant placement at ISS? Students shall be placed in the District's Campus Suspension program when the student commits any one of the following offenses:

- (1) Any repeated behavior warranting detention (4 or more)
- (2) Failing to serve general detention and/or to comply with the rules of detention
- (3) Using profane, obscene, indecent, or racially or ethnically offensive language and/or physical gestures to other students or District personnel
- (4) Altering school records or documents, forgery of a name on school documents, or impersonation of any other individual for any other purpose
- (5) Possession of tobacco products/lighters
- (6) Possession of ammunition
- (7) Possessing mace, pepper spray, or stun gun
- (8) Having and/or using someone else's password to login or attempt to login to the District Electronic Communications System
- (9) Interfering with school authorities or school programs through boycotts, sit-ins, or trespassing
- (10) Fighting
- (11) Defiance of authority of school personnel
- (12) Gang-related behavior or activity, including gang membership
- (13) Pledging to join or soliciting membership in a public school fraternity, sorority, secret society, or gang as defined by TEC 37.121
- (14) Intentional access to prohibited material on the Internet while on any District computer or system
- 15) Possession of fireworks of any kind, smoke or stink bombs, or any other pyrotechnic device
- (16) Any misbehavior that gives school officials reasonable cause to believe that the conduct will substantially disrupt the school program or incite violence, including bullying, using intimidation via name-calling, using ethnic or racial slurs, or derogatory statements.
- (17) Possessing, using, or exhibiting school supplies (i.e., pencils, pens, scissors, etc.) or any other item in a manner that threatens to inflict bodily harm to another
- (18) Possessing martial arts objects (such as shurikan [throwing stars], nunchakus ["nun-chucks"], tonfa [wooden weapon], staff, baton [short stick], bolo [long cord with weights at end])
- (19) Violating safety rules resulting in injury to person or property

Out-of-School Suspension

- (20) Possessing "look-alike" weapons
- (21) Possessing or using a laser pointer for other than an approved use
- (22) Possessing material that is pornographic or sexually explicit
- (23) Gambling
- (24) Throwing objects (threatening to do bodily harm)
- (25) Inhibiting the rights of others, thereby disrupting the school setting

Procedurally, what will occur prior to an ISS assignment? Prior to any in-school suspension, the student will be told the Code of Conduct offense the student is accused of violating and will be afforded an opportunity to explain his or her version of the events.

How long are ISS assignments? Student's length of assignment to ISS is at the discretion of the administration. However, the original assignment may be extended for misbehavior that occurs while in ISS.

Are there any restrictions on the students while they are serving an ISS assignment? Students serving an ISS assignment may not participate in or attend any school-sponsored activity including practices during the term of their assignment.

Are there any other circumstances that could warrant placement ISS? Students may be placed in the ISS pending an investigation of potential code of conduct violations.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

In deciding whether to order out-of-school suspension, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the appropriate administrator, who shall advise the student of the conduct of which he or she is accused. The student shall be given the opportunity to explain his or her version of the incident before the administrator's decision is made.

Out-of-School Suspension

The number of days of a student's suspension shall be determined by the appropriate administrator, but shall not exceed three school days.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student **may** be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any one of the following offenses:

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses involving injury to a person in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

Disciplinary Alternative Education Program (DAEP) Placement

The appropriate administrator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony.
 - Commits an assault (see glossary) under Texas Penal Code 22.01(a)(1).
 - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for "under the influence.")
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in the Expulsion section.)
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 - a. The student receives deferred prosecution (see glossary),
 - b. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
 - c. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

Disciplinary Alternative Education Program (DAEP) Placement

Sexual Assault and Campus Assignments

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Emergencies

In an emergency, the principal or the principal's designee may order the immediate placement of a student in a DAEP for any reason for which placement in a DAEP may be made on a nonemergency basis.

Process

Removals to a DAEP shall be made by the Eula ISD Superintendent or his designee

Conference

When a student is removed from class for a DAEP offense, the appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Placement Order

After the conference, if the student is placed in the DAEP, the appropriate administrator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete coursework required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Disciplinary Alternative Education Program (DAEP) Placement

Length of Placement

The duration of a student's placement in a DAEP shall be determined by the Superintendent or his designee.

The duration of a student's placement shall be determined on a case-by-case basis. DAEP placement shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The minimum period of assignment to DAEP is 15 days.

The maximum period of DAEP placement shall be one calendar year except as provided below.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended placement is in the best interest of the student.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the Superintendent or his designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration. Appeals regarding the decision to place a student in a DAEP should be addressed to the Eula ISD superintendent or his designee in accordance with policy

Disciplinary Alternative Education Program (DAEP) Placement

FOC(LEGAL). All other appeals regarding a placement in a DAEP should be addressed in accordance with policy FNG (LOCAL). A copy of this policy may be obtained from the principal's office or the central administration office or through Policy On Line at the following address: www.eulaisd.us.

Disciplinary consequences shall not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions during Placement

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or cocurricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student's IEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the Eula ISD Superintendent or his designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

The office of the prosecuting attorney shall notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or

Disciplinary Alternative Education Program (DAEP) Placement

2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal during Process

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the district may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the appropriate administrator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to DAEP in an open-enrollment charter school or other district.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Disciplinary Alternative Education Program (DAEP) Placement

Emergency Placement Procedure

When an emergency placement occurs, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Placement and/or Expulsion for Certain Serious Offenses

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a

Placement and/or Expulsion for Certain Serious Offenses

student **may** be expelled and placed in either DAEP or JJAEP if the board or its designee makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement and/or Expulsion for Certain Serious Offenses

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the district will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Any Location

A student **may** be expelled for:

- Engaging in the following, no matter where it takes place:
 - Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
 - Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student, without regard to where the conduct occurs:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. (See glossary for "under the influence.")

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Section 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

Within 300 Feet of School

A student **may** be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school's real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)

Property of Another District

A student **may** be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in DAEP

A student **may** be expelled for engaging in documented serious misbehavior that violates the district's Code, despite documented behavioral interventions while placed in DAEP. For purposes of discretionary expulsion from a DAEP, serious behavior means:

1. Deliberate violation that poses a direct threat to the health or safety of others.
2. Extortion, meaning the gaining of money or other property by force or threat.
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code.
4. Conduct that constitutes the offense of:

 - c. Criminal mischief under Section 23.08, Penal Code
 - d. Personal hazing under Section 37.152

- e. Harassment under Section 42.07(a)(1), Penal Code, of a student or district employee

Mandatory Expulsion: Misconduct That Requires Expulsion

Federal Law

A student **must** be expelled for bringing to school a firearm, as defined by federal law, when the offense occurs on school property or while attending a school-sponsored or school-related activity on or off school property. “Firearm” under federal law includes:

- Any weapon (including a starter gun) that will, is designed to, or may readily be converted to expel a projectile by the action of an explosive.
- The frame or receiver of any such weapon.
- Any firearm muffler or firearm weapon.
- Any destructive device, such as any explosive, incendiary or poison gas bomb, or grenade.

Texas Penal Code

A student **must** be expelled for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

- Using, exhibiting, or possessing the following, as defined by the Texas Penal Code:
 - A firearm (any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use), unless the use, exhibition, or possession of the firearm occurs at an off-campus approved target range facility while participating in or preparing for a school-sponsored shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department or a shooting sports sanctioning organization working with the department.
 - An illegal knife, such as a knife with a blade over 5½ inches; hand instrument, designed to cut or stab another by being thrown; dagger, including but not limited to a dirk, stiletto, and poniard; bowie knife; sword; or spear.

- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses, with the exception of a federal firearm offense, on or off school property or at a school-related activity.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Emergency

In an emergency, the principal or the principal's designee **may** order the immediate expulsion of a student for any reason for which expulsion may be made on a nonemergency basis.

Process

If a student is believed to have committed an expellable offense, the principal or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the principal may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the district's witnesses.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Superintendent or his designee authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall hear statements made by the parties at the review and will base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

After the due process hearing, if the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Superintendent or his designee shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent or other appropriate administrator may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal during Process

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then reenrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the appropriate administrator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the

period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion occurs, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.
